Dear David,

I have been trying to think of how to respond to your letter that there will be no TASC for the SSFL.

As you know, I requested assistance early in the process from Luis. I know that you spoke to Dr. Wiseman yesterday.

There is no current Chair of SSMAC. Dr. Wiseman resigned last night.

I will be talking to the WHNC about this issue - as I am sure Dr. Wiseman will as well.

In the meantime, will you please call me in the afternoon?

Thank you.

Chris Rowe
